

Costumes that are not allowed:

- * costumes that depict gangs or horror characters;
- * weapons of any kind;
- * gore or blood;
- * costumes that demean race, religion, nationality, handicapped condition, or gender;
- * costumes with obstructive masks;
- * face paint;
- * overly sexy costumes;
- * costumes with clothing that impedes a normal walking stride (robes for example);
- * anything with a hood;
- * no sparkles;
- * No Joker costumes;
- * No political messages should be transferred through your costume

All costumes must be deemed appropriate by administration. If a costume is deemed inappropriate for school, parents will be asked to bring their regular school uniform, so it would be a good idea to bring extra clothes just in case. If a student is not dressed for Halloween, they should wear their regular school uniform.
